**The Chapel of St. John the Divine Parish House**

**170 Mott Farm Road; Tomkins Cove, NY**

### **Guest Speaker:**

**Doc Bayne**, historian and educator, will present the forgotten history of Iona Island. Learn about the lives of Native Americans and when the island later became a popular destination during the steamer era. Iona then became a top secret navy base and is currently a bird sanctuary where, in winter, bald eagles nest. You will be amazed to learn the history of what really happened at Iona Island.
